

HOW TO ACCESS VIRTUAL CLASSROOM

1

Look at your child's schedule and locate teachers by period (Two important items to locate on schedule: Student ID and password located under **Locker** column).

2

Go to campus website: www.besteiroms.weebly.com

3

Click on the icon called **FACULTY** to find your child's teacher(s). Teachers' names are alphabetized.

4

Locate Teacher Website under **Teacher Website** column. Once you click on it, you will be directed straight to the teacher's website. You will find course syllabus, Learning Management System (Google Classroom, Teams, or Schoology), Welcome teacher letter, and other important information.

5

Click on the learning platform which may be **Google Classroom, Teams, or Schoology** and you're in. Another way to access learning platform, is through their student email. Please check the student's email for more information from the teachers. Ensure that your child checks their email for any teacher updates.

For additional information, please contact your child's grade level counselor.

6th Grade Counselor:
Ivonne Ceballos
Ph. 698-2155
Email: iceballos@bisd.us

7th Grade Counselor:
Sarahi Guajardo
Ph. 698-0591
